5. President Hargis – Remarks and Comments
6. Report of Status of Faculty Council Recommendations:
   President Hargis, Provost Sandefur, and/or Vice Presidents
7. Reports of Liaison Representatives –
   A. Graduate Council – Dr. Brenda Smith

   Monthly Graduate Council meeting was held September 22, 2017.

   Certificate-seeking students at commencement. Council discussed the issue and approved a motion to invite certificate-seeking students to participate in commencement.

   Academic Program Committee. The following academic program modifications were presented as motions and approved by Council: 1) Ph.D. in Plant Science -- M.S. is no longer a requirement for admission to the Ph.D. program and the total credit hours will change from 90 to 70. 2) M.S. and Ph.D. in Environmental Science -- the GRE requirement will be dropped as an admission requirement.

   Thesis/Dissertation Embargo policy. Council was made aware that instructions on how to do an embargo through UMI/Proquest will be added at the end of the policy. These instructions are on the Embargo Request Form, but were not in the policy which caused some confusion. A complete embargo has to be requested from the Dean of the Graduate College using the Embargo Request Form. A partial embargo (release of title and abstract but not the content) can be requested directly through UMI/Proquest and does not require approval from the Dean of the Graduate College.

   Important Dates.

C. Women’s Faculty Council – Steph Link

On September 21st, the WFC held a general meeting. It is our pleasure to announce the start of a new awards year; our annual research award solicitations have gone out. The WFC is also forming a bylaws review committee. Please contact Kim Loeffert (kim.loeffert@okstate.edu) if you are interested in being a part of either initiative.

We also received an update from our WFC liaison to the COACHE working group, Cynthia Ippoliti, and were happy to see an e-mail distributed about policies such as FMLA, campus and community resources related to child and eldercare (among many other topics), and best practice guidelines for family-friendly policies such as meeting and event times. We look forward to seeing the project progress.

After the meeting, Jamie Payne from HR joined us for a talk about the Family Medical Leave Act. This talk was in direct response to requests we received last semester from several voices across campus. We will continue offering programming based on what we hear from faculty, so please become involved by joining us for the following events:
Fall 2017 Women’s Faculty Council Events and Reminders:

D. Emeriti Association – Anne Matoy

Emeriti Association Scholarship Awarded

The Emeriti Association has awarded its 2017-18 Scholarship to Devin Peck, a sophomore in Chemistry from Shawnee, Oklahoma. Devin's plans after completion of his undergraduate degree include either dental or graduate school.

In addition to interest groups and regular dinner meetings, the Emeriti are planning a trip to Branson to enjoy several shows and shopping early in December. New officers will be installed at the December meeting which features Stillwater High School Choral Singers as entertainment.

E. Student Government Association – Zach Kensinger

- Student Government Association attended the SGA Big XII conference, and we are looking forward to implementing many new initiatives.
- SGA attended the first OSU Big 8 meeting of the year last week.
- Erica Stephens and Brayden Farrell are working on forming an It’s on Us committee to plan the initiatives that SGA will be conducting this year for sexual assault awareness.
- Speakers Board is in the process of planning an event for this semester, we should know more precise details very soon.

F. AAUP – Allen Scott

The Oklahoma Conference of AAUP will have a special meeting titled “Advocacy and Action” on November 4, 2017 at the University of Central Oklahoma. Dr. Mark Kinders, UCO VP of External Affairs, will speak on the likely issues higher education will face in the upcoming state legislative session. Dr. Lynn Tatum of the Texas Conference and Dr. William Fridley of the Oklahoma Conference will
discuss the ways that the AAUP Assembly of State Conferences can help in advocacy efforts. The meeting will conclude with action group breakout sessions and a general discussion of possible actions the Oklahoma Conference can pursue.

Title: Proposed Changes to UAR 5.6 Course Prerequisites

The Faculty Council Recommends to President Hargis that:

University Academic Regulation 5.6 be changed as indicated below:

**University Academic Regulation 5.6 Course Prerequisites.** Course prerequisites are listed in the course descriptions section of the University Catalog. When no prerequisites are listed for courses numbered 3000 or 4000, it is understood that the prerequisite is approval of the student’s adviser. The prerequisite for courses at the 5000 or 6000 level is graduate standing in addition to any other prerequisites listed. Instructors may waive prerequisites when the student’s background justifies this action. Academic advisors may only provide overrides of prerequisite requirements for undergraduate courses, and only prerequisites for lower-division courses may also be waived by a student’s academic advisor if examination of the student’s academic record verifies the prerequisites for the undergraduate course have been met. Before the beginning of a term, departments may review class rosters to verify completion of prerequisite requirements and may initiate action to drop students who do not meet the published requirements. Prior approval of the instructor may be required for enrollment in problems courses, independent study, internships, thesis and dissertation courses, and courses taught in a professional school.

**Rationale:**

These proposed changes modify University Academic Regulation 5.6 to accomplish the following:

1. Remove the restriction that academic advisors may provide overrides of prerequisites only for lower-division courses—allowing them to provide overrides for upper-division courses as well, but not for graduate courses.
2. Provide clarification that academic advisors do not have authority to waive course prerequisites, but do have the authority to provide overrides for undergraduate courses after verifying that students have met (or are currently meeting) the prerequisites.
3. Disclose that departments may review class rosters to verify completion of prerequisite requirements and may initiate action to drop students who do not meet the published requirements before the beginning of a term.
